

Rock Hard Results Have Positioned Rockville Men's Health Clinic "2020 TOP SHOCKWAVE THERAPY PROVIDERS" in Maryland

Dr. Jennifer Miller of Rockville Health Expressions presented with this year's accolade for elite success helping men treat ED and New launch of ED therapy at home announced for Cyber Monday.

Rockville, Nov 23, 2020 ([Issuewire.com](https://www.issuewire.com)) - **Rockville Men's Health** in Rockville, MD receives "Best In The Shockwave Industry" award presented by SWSNA President virtually- following COVID-19 precautions. This 2020 best provider accolade only honors one provider state-wide. Voting was held online between September and October by the SWSNA member providers panel. This award recognizes individual providers and clinic-based groups for excellence in the field of acoustic shock wave therapy, which has grown across America to span several medical specialties including Physical Therapy, Neuropathy, Podiatry, Aesthetic, OBGYN, and Urology.

"We're proud to recognize [Rockville Men's Health](#) for their helpfulness, compassion and acumen. Shockwave Provider Dr. J Miller, DC, excels in service to her community- applying skilled shockwave expertise to help men with impotence to achieve their functional health goals," said SWSNA Executive Thomas.

In response to receiving this award, Dr. Miller said, "The entire team is thrilled to receive this Award, and we are proud of our community of amazing patients. I commend the men and women I work with daily and we are making big plans to not just go forward, but to grow forward into 2021."

New advances in Men's Health- Coming Soon:

New discoveries and technological advances in medicine are breaking the sound barrier. The role of technology in the safe treatment of erectile dysfunction (ED) will be widening with the introduction of erectile technologies include external penile support devices, impotence vibrators, and low-intensity extracorporeal shockwave. **Rockville Men's Health** will be the first clinic to surpass Maryland's

COVID19 safety precautions by extending ED treatments remotely to men from the safety of their own homes. The launch date of their new **at-home ED therapy** option comes just in time for Cyber Monday when as many of 2 million men across Maryland will swarm the internet looking for the best deals in Maryland. To learn more, visit **Rockville Men's Health** online now.

For more than a decade, Dr. Miller has provided clients with advanced, non-surgical treatment alternatives to alleviate pain and provides the first potential cure for erectile dysfunction. Erectile dysfunction affects around 50% of men between 40 and 70 years old. Rockville Men's Health is a state-of-the-art clinic that helps both men and women to look and feel their best by providing an oasis of new solutions for ED, Neuropathy and Weight Management. Dr. Miller makes an ongoing investment each year in the most advanced treatments and in providing a broad range of health and wellness options. The providers receive annual training for emerging technologies, like ESWT, to uphold their mission: Offering the Rockville community early access to cutting-edge health technologies.
