

RoomPe's New Boys Hostel near Vaishodevi is a delight for Students of NIRMA, ADANI, AIT, SAL

Ahmedabad, Nov 13, 2020 ([Issuewire.com](https://www.issuewire.com)) - Ahmedabad's first co-living space, RoomPe launched its 60 bed boys hostel near Nirma University. The hostel property is amazingly designed and is talk of the town. Made in dual / triple occupancy with COVID-19 guidelines in place, it offers amazing services at unbelievable rates.

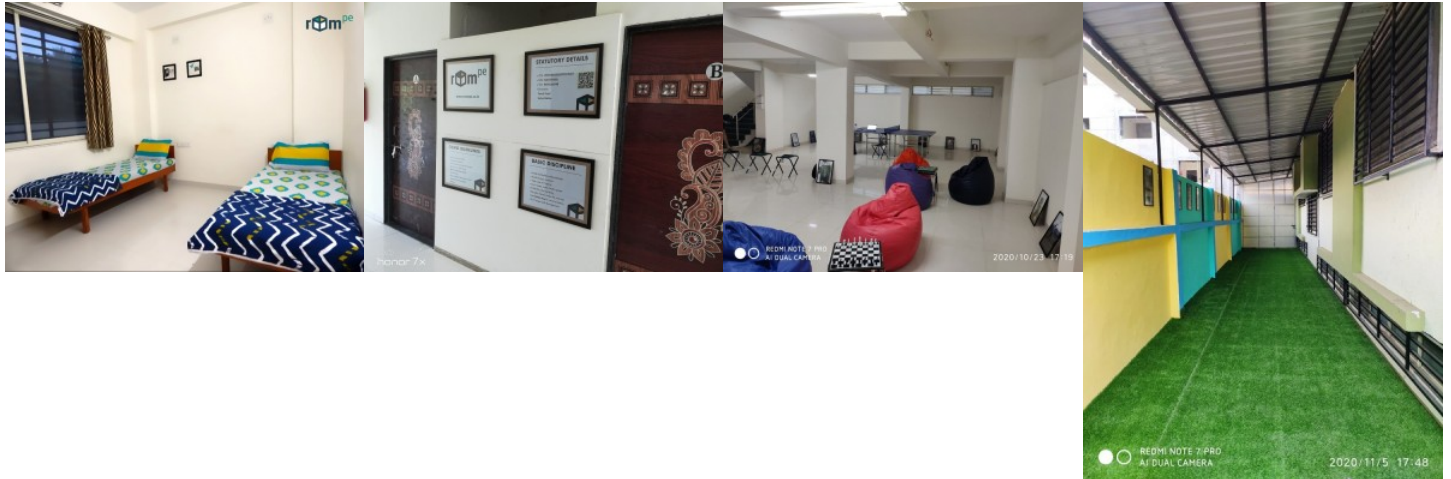

The packages starts from 10000 per month, offers attached AC, reading room and washroom with hot water facility. Apart from basic residence needs of FSSAI approved food, security, laundry, housekeeping, transportation, cctv, fire extinguisher it offers facilities like sports room, TV room, pantry with oven induction vending machine toaster, library, events, outdoor sports

It will be the first hostel in Ahmedabad to offer Medical – COVID Insurance, Doctor on Call, Events, Camp Nights, Deals, Welcome Kit, In-Resident Mobile App, Internships. Roompe has also signed an MOU with city based entrance exam brand QOACHING to offer IELTS, GRE GMAT at doorstep. Roompe is also planning to add GYM & Urban Mobility Solutions for all boys staying at Vaishodevi Hostel

RoomPe has also introduced launch offers on booking for students of Nirma, Adani, SAL, AIT, GIT, Alpha College on booking Boys Hostel Accommodation. RoomPe's hostel is just 2 KMs from Nirma, 4 KMs from Adani& AIT and 6 KMs from SAL College

RoomPe is planning to expand its wings in almost all cities of India, particularly tier-2 cities. Post Ahmedabad – Gandhinagar; Vadodara, Surat Rajkot and Vallabh-Vidhyanagar by 2021. RoomPe is actively planning to engage itself with universities, colleges, schools, entrance exam players and corporate to avail them on-campus/off-campus accommodation facilities. RoomPe will also bring

facilities like co-living spaces ideal for young professionals, entrepreneurs, artists, interns, remote workers bringing a perfect blend of comfort, cost-saving and contemporary lifestyle. A few places, where due to lack of convenience or infrastructure; co-living spaces are not possible; RoomPe strives to offer ultra-luxurious paying guest facilities to work professionals (man and woman) & students with all possible facilities. RoomPe will also provide Hostel facilities to corporate and industries on the B2B model who wish to have its employees and workers avail facilities of boarding and lodging
