

Sandra Gibbs, RN, Registered Nurse

Get to know Registered Nurse, Sandra Gibbs, who serves patients in Michigan.

New York City, Nov 3, 2020 ([IssueWire.com](https://www.issuewire.com)) - Sandra is a respected registered nurse working within the Program of All-Inclusive Care for the Elderly (PACE) in Michigan.

PACE provides comprehensive medical and social services to certain frail, elderly people (participants) still living in the community. Most of the participants who are in PACE are dually eligible for both Medicare and Medicaid.

PACE programs provide services primarily in an adult day health center and are supplemented by in-home and referral services in accordance with the enrollee's needs. Since comprehensive care is provided to PACE participants, individuals who need end-of-life care will receive the appropriate medical, pharmaceutical, and psychosocial services. If the individual wants to elect the hospice benefit, they must voluntarily disenroll from the PACE program.

Graduating with her nursing degree from Jackson State Community College, Sandra is an active member of the National PACE Association.

A Registered Nurse (RN) is a nurse who has graduated from a nursing program and met the requirements outlined by a country, state, province or similar licensing body to obtain a nursing license. RNs fulfill a variety of job duties. In addition to their primary role in treating and caring for patients, their responsibilities also include educating patients and the public about a variety of medical conditions, as well as providing emotional support and advice to the families of their patients. Other RN job functions include leadership, research, performing diagnostic tests and analyzing results, operating medical equipment, administering medications, recording patients' symptoms and medical histories, and assisting with patient rehabilitation and follow-up.
