

Shoessee To Kick Start Crazy Christmas Sale On Boots And Loafers In The First Week Of December

December is the month of shopping madness. As Americans are getting geared up for the big festive season ahead, Shoessee announced that they will offer big discounts in December.

Hong Kong, Nov 23, 2020 ([Issuewire.com](https://www.issuewire.com)) - Shoessee, an online store headquartered in Kent, UK, recently announced that they will kick start 'Crazy December Sale' in the first week of December this year. The owners added that up to 85% discount can be availed on all products featured on the shopping portal. They said that they want to massively promote their [women loafers](#) and other fashionable footwear products with the big festive season less than two months away. The owners said that the market analysts working with them have predicted a huge increase in sales in the coming month. They claimed that the December Sale will help them in breaking all sales records.

When asked about the other offers that come along with the upcoming 'Crazy December Sale', the owners added that they will offer \$10 off on purchase of \$89 and above, \$15 off on purchase of \$129 and above and \$20 on purchase of \$199 and above.

"These are additional discounts and these should not be confused with the discounts applicable to each product separately. One may avail these discounts on total billed amount. Additionally, we are also offering free shipment to any part of the US during December", said a senior sales officer during his short interview with the local press here in the US.

Shoessee has its manufacturing unit in Kent, UK. The owners revealed that more than 300 workers and designers work in their manufactory. They said that the [casual boots](#) and loafers and other sorts of special occasion dresses are designed by their workers in UK-based manufactory.

The CEO of the online store said, "We are now offering toe boots, high heel shoes, flat shoes, fly woven shoes, and many more types of fashionable shoes. We hope that our customers will find the discounts highly appealing. We also hope that the designs of the would receive high acclaim". The CEO also added that they will bring new designs on flats and loafers sometime next year. "We always try to bring new designs and new concepts in to women's footwear", he added.
