

Swimming Biomechanics Coach to Olympians and World Record Setters Contributes to SportsEdTV

Author, Lecturer and Coach to Champions, Stefano Nurra named SportsEdTV Senior Contributor

Miami, Nov 13, 2020 ([Issuewire.com](https://www.issuewire.com)) - [SportsEdTV](https://www.sportsedtv.com) has added another world-class coach to its team of senior contributors by naming Stefano Nurra to its list of respected coaches. Nurra is a swimming biomechanics expert analyst.

“When you see the long list of world-record setters and Olympic medalists that Stefano has coached and analyzed, his value to our audience becomes immediately apparent,” said Robert Mazzucchelli, Founder and Chairman of [SportsEdTV](https://www.sportsedtv.com).

Nurra is a biomechanics analyst and swim coach who for more than 20 years has been a private consultant to 150 European swim teams providing swimming methodology and biomechanics analysis.

“Stefano is a prolific communicator who has shared his expertise at National and International Clinics, in multiple media environments and via a pair of books about swimming biomechanics analysis, and now our millions of athletes anywhere can benefit from the wisdom he’ll share as a SportsEdTV contributor,” the FREE online leader in [sports instruction](#) CEO Victor Bergonzoli added.

His most recent consultancies have included coordination of all high-performance centers in Turkey and to the Austrian Swimming Federation and the Cyprus Swimming Federation.

Stefano was graduated in Sports Science from The University of Torino in 1993

About [SportsEdTV](#): [SportsEdTV](#) exists to help athletes, coaches and parents LEARN, WIN and CELEBRATE. We don’t expect everyone who uses our learning tools to become a world champion - that’s not our mission.

We do expect people who use our educational resources to become their own champion, by whatever definition they view success in their chosen sport. For some, success is making the varsity team, for others, it’s becoming country champion, and for others still, it may simply be gaining proficiency at a sport that offers a lifetime of fun and fitness.

To us, no matter your aspirations in sport, if you are striving to improve, you are winning! As a leading sports education media company, we provide FREE video and blog content to anyone in the world with an internet connection.

We also offer a global online community, where athletes, parents and coaches can interact, connect, chat, share content and find new friends. [SportsEdTV](#) videos feature coaching from world-class coaches and athletes - many of whom are or have coached world-champions - and have been watched by viewers in every country in the world.
