

Tammie Theriot, RN, BSN, DON, a Registered Nurse with Mid Jefferson Extended Care Hospital

Get to know Registered Nurse, Tammie Theriot, who serves patients in Nederland, Texas.

New York City, Nov 21, 2020 ([IssueWire.com](https://www.issuewire.com)) - Graduating with her Bachelor of Science in Nursing degree from Lamar University, Tammie is recognized as a well-versed registered nurse. At present, she serves as the Director of Nursing at Mid Jefferson Extended Care Hospital in Nederland, Texas.

Mid-Jefferson Extended Care Hospital is a long-term acute care hospital with two locations in Southeast Texas, including Nederland and Beaumont. The medical staff includes over 60 physicians with a variety of specialties, as well as certified wound care nurses and a dedicated team of nurses whose experience ranges from intensive care to physical rehabilitation.

The team at Mid-Jefferson Extended Care Hospital specializes in caring for patients whose illnesses and injuries are of a more severe and medically complex nature. They are able to offer each patient the additional time to heal through the development and implementation of personalized recovery plans and goals.

A Registered Nurse (RN) is a nurse who has graduated from a nursing program and met the requirements outlined by a country, state, province or similar licensing body to obtain a nursing license. RNs fulfill a variety of job duties. In addition to their primary role in treating and caring for patients, their responsibilities also include educating patients and the public about a variety of medical conditions, as well as providing emotional support and advice to the families of their patients. Other RN job functions include leadership, research, performing diagnostic tests and analyzing results, operating medical equipment, administering medications, recording patients' symptoms and medical histories, and assisting with patient rehabilitation and follow-up.

A Director of Nursing (DON) is a registered nurse who supervises the care of all the patients at a health care facility.
