About [Lark Ellen Farm](#):

At Lark Ellen Farm they believe in being kind to ourselves and each other, and that good health starts from a healthy state of mind. Being a good person, loving yourself, and sharing with others are the best ways to ensure happiness.

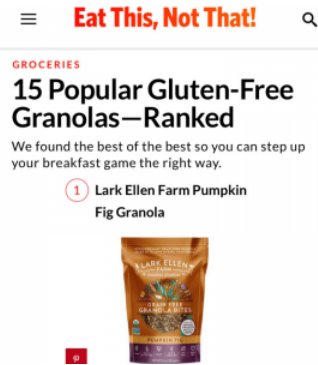

Each of their pouches come filled with organic food at its highest state. Special care is taken to ensure every bite will provide great nutrition. They also included an inspirational quote on the bottom of each bag in the hope that it will feed your body and your soul.

Enjoying their products will take you back to a time when food was real - when food nourished your body, not harmed it.
