

Unique 'Esteem' Fashion Stylist "Styled by Ky"

With a focus on fashion, individualism, and self-esteem, Styled By Ky is a new and unique styling service specializing in building clients' confidence through self-expression and wardrobe.

Scottsdale, Nov 12, 2020 (Issuewire.com) - Local wardrobe aficionado and Esteem Stylist Ky Todaro is announcing her exclusive styling services and the release of her new website **www.styledbyky.com**. As a distinctive Stylist, Ky is passionate about helping clients love the way they look and feel about themselves. Ky focuses on the psychology behind how people dress and what they want their fashion to say about them as individuals.

Ky Todaro provides customized services to her clients by helping them identify their underlying physical insecurities and strengths to leave them feeling more confident and empowered. Ky believes, "What we wear affects not only how the world perceives us, but how we perceive ourselves."

Her background in fashion merchandising and psychology drives her vision to **empower clients through clothing**. Esteem styling promotes self-confidence and body positivity, enabling clients to **express themselves authentically** through their clothes and **feel confident** in doing so. Whether using pieces from their current wardrobe or curating unique pieces to add to it, Ky will assure her clients will emerge a confident new version of themselves.

Ky Todaro provides the following services;

PERSONAL STYLING – A service to revamp the closet you already have and introduce new pieces that elevate your style and self-esteem. Personal styling saves you the time and stress that goes into the daily struggle of dressing and shopping for yourself.

FASHION STYLING - Whether it's styling for your brand, editorial, show, or personal portfolio, Ky brings a modern freshness to the table that helps you stand out. Ky is experienced in working with photographers, editors, models, makeup artists, and agencies from start to finish to ensure a cohesive look.

“I want you to feel your best when you get dressed every single day.”

With **Styled by Ky** services, you'll come out of this experience with a wardrobe that reflects you authentically and the confidence to wear it proudly!
