

Veronica Ferencz, DO, FACOS, MBA, a Breast Surgeon with Crystal Run Healthcare

Get to know Breast Surgeon Dr. Veronica Ferencz, who serves patients in New York.

New York City, Nov 24, 2020 ([Issuewire.com](https://www.issuewire.com)) - As a fellowship-trained breast surgeon, Dr. Ferencz provides compassionate and personalized care for patients with breast cancer and performs a wide range of procedures for all diseases of the breast, including biopsies, lumpectomies, and mastectomies. She joined Crystal Run Healthcare in 2017, looking after the communities of Monroe and Newburgh, New York.

Crystal Run Healthcare is one of the fastest growing multi-specialty group practices in the country. It has over 400 exceptional physicians in nearly 50 medical specialties with multiple practice locations focused on the healthcare needs of the Hudson Valley and lower Catskill region.

The mission of Crystal Run Healthcare is to improve the quality and availability of, and satisfaction with, healthcare services in the communities it serves. To accomplish this goal, the practice emphasizes medical excellence as well as responsiveness to consumer needs through service excellence and patient empowerment.

Among Dr. Ferencz's clinical interests include high-risk breast cancer screening, breast cancer awareness, and community education/involvement. She loves having the opportunity to educate patients - thus enabling them to understand and take part in their own healthcare. She strives to connect with them by communicating in a way that each individual can comprehend.

"I have been interested in health care since I was in elementary school. I took an interest in anatomy and physiology at its most basic level" expressed Dr. Ferencz. She graduated with her Doctor of Osteopathic Medicine degree from the Philadelphia College of Osteopathic Medicine.

Wanting to further her education, she completed her internship and residency in surgery at St. John's Episcopal Hospital. She then advanced her medical training by completing a fellowship in breast surgery at Mount Sinai Morningside & Mount Sinai West. Additionally, she holds a Master of Business Administration degree from Saint Joseph's University.

A Fellow of the American College of Osteopathic Surgeons (FACOS), the doctor is board-certified in general surgery by the American Osteopathic Board of Surgery (AOBS). The AOBS is an organization that provides board certification to qualified Doctors of Osteopathic Medicine who specialize in the use of surgery to aid in the diagnosis and treatment of disease.

Breast surgery is a form of surgery performed on the breast. The typical duties of a breast surgeon include preparing patients for surgery, performing operations to remove tumors, and ensuring effective post-surgery care for patients.

Outside of medicine, Dr. Ferencz's interests include hiking and photography.
