

VertiSource HR® Hires Jeffrey Pyeatt To Oversee New Business Development

Cottonwood Heights, Nov 3, 2020 ([Issuewire.com](https://www.issuewire.com)) - VertiSource HR®, a specialized boutique HR, ASO & PEO service provider, today announced [Jeffrey Pyeatt](#) will oversee their National New Business Development Team.

"Jeff brings over 20 years of expertise in successfully developing business portfolios, managing, and consulting in the HR industry. After meeting with many qualified candidates, Jeff stood out as the ideal person to help VertiSource HR scale nationally. We are very pleased he has joined our team," said VertiSource HR® Founder and CEO, Kim Bolinder.

Jeffrey Pyeatt has been in the HR industry for over 20 years and has mastered each position he has held. Working for Nationally recognized companies such as Total HR Management, Administaff (*now Insperity*), and Oasis Outsourcing (*now Paychex*), Jeffrey quickly moved up the ladder by mapping out efficient and effective solutions for his clients.

In his newly appointed and highly impactful role to lead Business Development initiatives on a national scale with VertiSource HR®, Jeff is up for the challenge. As Pyeatt says, "Businesses are unique, and so are their needs, we meet them where they are, not necessarily where they 'should' be. Our job is to help them get to where they 'should' be."
