Some of the services offered at Jefferson City Nursing & Rehabilitation Center, LLC include: intimate and secure 28-bed, family oriented neighborhood; Progressive Unit to accommodate the advancing stages of dementia; cognitively stimulating activities and programming; family-style dining; and an enclosed courtyard to enjoy the outdoors.

Academically, Whitney studied Licensed Practical Nursing at Nichols Career Center. Prior to her current endeavours, she worked as a licensed practical nurse with a focus on obstetrics-gynecology at Community Health Center of Central Missouri.

A Registered Nurse (RN) is a nurse who has graduated from a nursing program and met the requirements outlined by a country, state, province or similar licensing body to obtain a nursing license. RNs fulfill a variety of job duties. In addition to their primary role in treating and caring for patients, their responsibilities also include educating patients and the public about a variety of medical conditions, as well as providing emotional support and advice to the families of their patients. Other RN job functions include leadership, research, performing diagnostic tests and analyzing results, operating medical equipment, administering medications, recording patients' symptoms and medical histories, and assisting with patient rehabilitation and follow-up.

On a more personal note, Whitney is married with five children. She and her family live in Linn, Missouri.
