XIFEI is a brand that is known for manufacturing high-end cigar accessories, made with the sole purpose of improving the cigar experience for their customers. In addition to their Acrylic Humidor Jar, this company also is responsible for the All-in-One Cigar lighter, which has pretty much every accessory that one could need when enjoying a cigar on the go. It's a convenient and compact solution that offers a cigar stand, cigar holder, lighter, and a cigar punch as to improve the experience of the cigar lover no matter where they are.

The Acrylic Cigar Humidor Jar stands out among other similar products. The cigar humidor from XIFEI is designed a high-quality acrylic material that is transparent, allowing you to store your cigars while also displaying them in the space. It is constructed with a retaining ring on the top, which is fixed to the jar with a tightly sealed rubber gasket. There is a cedar wood liner, which adds to the appearance as well as ensures the quality of the cigar. This product includes the humidifier and dropper, meaning that you do not have to buy these products in addition to the jar. The XIFEI cigar humidor is the ideal solution for cigar lovers who want an easy-to-use but effective solution for storing cigars. This cigar humidor jar is the trusted name for all types of customers, including cigar bars that rely on humidors for their business. XIFEI is the leading brand of cigar accessories and their Acrylic Cigar Humidor is no different.

XIFEI is a brand that is dedicated to excellence and innovation.
