**Handmade, Plant-based products unearth the
Common scents of nature**

Bioactive-rich extracts. Raw, organic ingredients. 100% Vegan. Zatik Naturals infuses natural common scents into their handmade, plant-based products. Top choices for fall 2020:

HARMONY MOISTURIZER (\$28) The addition of orange and wild cherry extracts feed skin the organic hydrosols depleted from summer. These high quality "flower waters" are produced by distilling leaves, fruits, and plants. The deep penetrating- but lightweight- rich moisturizer allows skin a

comfortable transition to drier fall weather without common, dry weather breakouts. The infusion of aromatic, calming rose oil helps with skin inflammation and sensitivity, even around the eye area, improving the complexion. (***“Seriously magic!”*** -reviewer Michelle S.)

DEEP MOISTURIZING SHAMPOO & CONDITIONER (\$10) Hair- as well as skin- gets ravaged by summer heat. Restore luster to brittle, colored hot-weather hair while soothing and irritated, summer scalp with the infusion of restorative, healing calendula, or marigold flowers! Omega-3 fatty acids and iron from African Baobab fruit seed oils enhance softness immediately. Green tea & grape seed extract for growth and shine top off this dynamic, USDA Certified organic haircare duo. (***“Incredible Zatik shampoo finally made my dry hair soften!”*** -reviewer Eleonora N.)

SOLAR MINERAL SUNSCREEN (\$24) Humidity’s down; dry skin complaints are up. Enter vitamin & mineral-based vegan sun protection with reef-safe zinc to combat fall’s skin-ravaging, wrinkle-causing UVA/UVB rays. Enjoy calming organic botanicals for fragile skin due to the extreme weather change. Alcohol-free and water resistant up to 40 minutes; 100% free from chemicals and fragrances. Infuses SPF 30 naturally via Raspberry Seed extract! Now you can hydrate *and* protect the face. (***“Lightweight, not greasy, no white film! I love it!”*** -reviewer Edith A.)

BLACK SEED OIL- VEGAN SOFTGELS (\$24) Fall skin is moody, and demands nature's top antioxidants.

High in energy-inducing Omega 6 & healthy Omega 9 fatty acid- Zatik delivers premium quality, cold-pressed Organic Egyptian Black Cumin Seed oil. Black Cumin (“nigella sativa”) seed, used in ancient times as a spice, has been reported in archaeological sites, including inside King Tut’s tomb. Modern research ID’s Thymoquinone in Black Seed Oil, known for its wide array of healing qualities including being an antibacterial and anti-inflammation agent. With organic rosemary leaf extract, pills are soft and easy to swallow. (***“Less doctor’s appointments, no steroids!”*** -reviewer Krenare)

Small, limited batches of [Zatik products](#) are produced to assure prime freshness and potency. (Plant-influenced results per crop may vary color or scent.) Zatik’s organic chemists balance the herbal ingredients to achieve *maximum healing and regenerative benefits* of their earthy **Hair, Skin, Body and Health** products. Every vegan Zatik product, along with being soy, gluten and sugar-free, is completely free from Sulfates, EDTA, PEG, Parabens, synthetic fragrances, phthalates and skin-clogging, acne-causing mineral oil.

Zatik created their own *exclusive, cruelty-free formulations with the invention of an ‘organic emulsification and preservation system,’ derived from MCT Coconut Oil*. Every item is handmade in Southern California, using fresh botanicals cultivated on USDA certified organic farms- never with the use of GMOs. The Zatik laboratory undergoes inspections by the USDA-accredited certifying organization, Oregon Tilth.

Sold in *Whole Foods Markets* and natural health food stores across Southern and Northern California; online: www.zatiknatural.com/collections/body. Free shipping on every soy-ink printed order over \$35. #CrueltyFree♥
