**Chennai, Jan 3, 2021 (IssueWire.com)** - aahaa India Special Products - Unit of aahaa GRAND, is launching Premium Quality Food Products - Savouries, Sweets, Thokku, Pickle, Cereals, and Cookies.

In continuance with our elders' policy of manufacturing of homely products, quality, and hygiene as the main ingredients used. One time usage of oil and Ghee is the basic raw material policy and we never compromise on the cost over the quality of ingredient raw materials. External Coloring or flavoring agents are not used at all and we have the confidence in using natural organic raw materials only to gain over the customers' trust.

Operating from Chennai with plans of branches covering entire city mainly with revenue sharing concept of space 100-400 sq. ft, (just the premises and rest of the investments are on our account) and scheduled to spread into entire India, through direct C & F agencies - Super stockists to market its premium quality food products mainly savories.

Exports:

We believe in the longstanding mutually beneficial relationship with our exclusive country-specific business partners and with our continuous focus on timely delivery, quality, and after-sales support, success is being shared with prosperity.

Business Interests from other countries are welcome and we are open to the possibility of exploring the taste of prospective customers there and we are sure that our products will win their hearts.
