# In the Mind of a Teenage Girl

*Welcome to my thoughts*

ruby freedman

**New York City, Dec 4, 2020 ([IssueWire.com](https://www.issuewire.com))** - Author Ruby Freedman has announced a new book release entitled “In The Mind of a Teenage Girl.” The book is a thought of a young teenager about life, loves, and family. The author, Ruby Freedman, said, “I’m very excited about the book release. It was a lot of exciting experiences and thoughts I wrote in the book. I hope the book can entertain readers about teenage girl thoughts.” She also explained that the book is a compilation of her thoughts she wrote on paper, and she shared it with the readers in a 42 pages book.

*“In The Mind of a Teenage Girl” is a great storybook written by a young author. I bought this book because I love short books with great stories and this is what I found. I will be buying more of her books soon”* - One of Ruby Freedman’s book readers.
