

Banta with Santa - LIVE Zoom Calls with Santa Claus!

Christmas has been saved!

Bakewell, Dec 4, 2020 ([Issuewire.com](https://www.issuewire.com)) - They say Christmas will be different this year...

It will be with this amazing concept brought to you by 23-year-old professional performer Ruby Payne. Ruby has studied Musical Theatre since the age of 4 and has been working professionally since leaving University in 2018.

Due to the pandemic, the theatre and entertainment industry have suffered enormously throughout 2020 with many performers and musicians not knowing when they will be able to work again.

Ruby from Chesterfield, is endeavouring to keep the magic of Christmas alive.

She would normally be entertaining children and families in Lapland at this time of year, However, due to travel restrictions, she is bringing the North Pole to you via the magic of zoom.

'Banta with Santa' is the brain child of Ruby allowing children and families to experience a LIVE 'Zoom' chat with Santa Claus and his cheeky elves in the safety and comfort of your own home.

In addition, you can arrange for a couple of Santa's cheeky elves to come and socially distance sing, dance and have festive fun in your very own garden.

Ruby said ' I didn't want any of the children or families to miss out on the magical experience of speaking to Santa Claus this year, it's been a challenging year already, and I wanted it to finish on a high note for the families'

This amazing experience is available throughout December.

Also if you know a deserving family who's 2020 has been extra difficult, let us bring some Christmas magic to them. Nominate them at hello@bantawithsanta.co.uk
