

Belgium singer-songwriter links up with DJ Tranz on new electro-dance hit - Fabulous

“Fabulous” is an uplifting club anthem to inject positive vibes and thoughts into all of us.

Orlando, Dec 6, 2020 (IssueWire.com) - Belgian singer-songwriter [Alo Wiza](#) has launched her new single, THE singularly amazing “[Fabulous](#)”! Her second release of 2020 and the follow up to “Diamonds”, “[Fabulous](#)” is produced by American DJ and producer [DJ Tranz](#), whose reputation as one of the worlds most upcoming EDM artists is justified by the number of tracks he has been involved with over recent years. “[Fabulous](#)” is an uplifting club anthem to inject positive vibes and thoughts into all of us.

This upbeat electro-pop song was made for the club. The energy in the instrumental produced by **DJ Tranz** really takes the song to the next level. There is a sense of euphoria everytime the vocals get heavier and the beat strikes. This is the perfect song to play during a hot night out where there is nothing better to be doing than having fun and being fabulous. Alo’s personality is such a catch in this song as she presents herself as an extraordinary lead with her larger than life personality and perfect vocals.

There is no doubt the enigmatic Florida producer **DJ Tranz** puts the F in fizz, of this mentos meets soda-pop, dancefloor destroying track. Alo adds plenty of sparkle of her own with her crystal cut self-assured vocals and upbeat, optimistic-driven lyrics. The narrative Alo shares with this song act as a positive mantra to live by “**Fabulous**” is not just a feeling, it’s a lifestyle!” Watch the music if you need pointers

in being “Fabulous.” Send a warning to your neighbors or wait until they go out for work or exercise because you will want to blast this track out a loud volume. This collaboration creates a bar-raising euphoric high, which in turn brings the listener into **Alo Wiza's** beautiful sunshine soaked, neon-lit world.

Alo tells us: “The inspiration came from the powerful energy of the instrumental track **DJ Tranz** produced. Which brought me back to happy summers in Ibiza, Mykonos, New York and The Virgin Islands of crazy open air parties I enjoyed with my friends and loved ones. And despite disagreements, and all sorts of drama.. We’re FABULOUS”.

Alo is singer-songwriter from Aix-en-Provence of Belgian and of Afro-American descent. Travelling since a young age and from an unusual background, she reveals her many experiences through music, from her debut, “Holdin’ On” last year through to the captivating floor filler “Fabulous”, which is written by Alo herself. Alo says she has been inspired by artists like Whitney Houston, Stevie Wonder, Sia and Ellie Goulding, to name a few. Although “Fabulous” is only her third release, there are more to come as Alo is constantly writing and recording with more lined up!
