

Dr. Cordie Williams, Founder Of 1776 Forever Free, Joins The Trump Bus Tour

San Diego, Dec 4, 2020 ([Issuewire.com](https://www.issuewire.com)) - [Dr. Cordie Williams](#), announced he is joining [The March For Trump Tour](#) and will be speaking at their bus stops from Dec 6th through Dec 12th.

Dr. Cordie Williams is a US Marine and Doctor, also known by the #megaphonemarine – a nickname

bestowed upon him in early 2020 when he picked up a [megaphone](#) while protesting the violation of his rights during the COVID pandemic and went toe-to-toe with the California police eventually forcing them to stand down.

Dr. Cordie is also the founder of [1776 Forever Free](#), a non-profit organization set up to help protect all Americans' freedom. In September 2020, 1776 Forever Free began a journey, The Freedom Tour, which crisscrossed the country starting from California landing in D.C. right before the Presidential election. And in December 2020, 1776 Forever Free began offering education classes on the Constitution for only \$10.
