

Enjoy the Pop-Infused Flavors with Matteo Ranieri's Latest Track 'Song of Freedom'

Upcoming music artist Matteo Ranieri is spreading his musical aura with the track 'Song of Freedom'. He is an advocate for LGBTQIA+ rights and mental health as well.

London, Dec 18, 2020 ([IssueWire.com](https://www.issuewire.com)) - A profound lyricism and fine line production have united in the latest single '[Song of Freedom](#)' by upcoming artist **Matteo Ranieri**. The track churns out the flavors of contemporary pop music. The blended essence of pop and R&B hits hard with the amazing musical arrangement. There is an influence of heavy bass and upbeat digital tones that complements

the artist's unique singing style. He has a soothing yet raspy vocal tone that glides through the pop-infused soundscape. The heartfelt emotive lyrics hit hard as the track progresses.

Matteo is a versatile queer pop artist who is a singer, songwriter, and producer as well. His latest single '**Song of Freedom**' is another major milestone to the artist's musical career as it has garnered 100K streams in only two months. The track has created quite a stir among the listeners and released with a remixed version as well. Similar essence can be found in the earlier release, named 'Live 4 the Weekend'. The artist recently premiered his first-ever online event, titled 'live in ldn'. The show was a huge success with the artist's eclectic performance and intriguing social message on the aspects of equality and mental health.

As a sensible person and a true advocate for LGBTQIA+ and mental health, the artist participates and supports every initiative to spread awareness on sexual orientation, mental health, and societal abuse. Currently, he is working on a new album which will be releasing in the year 2021. Follow **Matteo Ranieri** over [Facebook](#), [Instagram](#), and Spotify to know more about his music.
