

Influential Sports Performance Technologist and Motion Analyst Joins SportsEdTV as Contributor

Paraic McGlynn is Accomplished Cyclist Turned Elite Athlete Biomechanical Advisor via Sports Technology Innovations

Miami, Dec 10, 2020 ([Issuewire.com](https://www.issuewire.com)) - [SportsEdTV](https://www.sportsedtv.com) has added Paraic McGlynn to its cadre of contributors. An inveterate innovator, McGlynn has founded a pair of successful technology companies serving athletes around the world.

“Paraic McGlynn is the founder of Cyclologic, a sports-performance-oriented company, assisting elite athletes with biomechanical optimization, motion analysis hardware, aero product development, athlete optimization and training, which hits the sought after technology bullseye of many coaches and athletes in our wide sports audiences,” said Robert Mazzucchelli Founder and Chairman [SportsEdTV](https://www.sportsedtv.com).

A native of Ireland, Paraic had been coaching and working with elite athletes in Europe since the early nineties. A former successful Cat 1 cycling racing career transitioned into coaching and sports biomechanics, sports science and sports performance analysis, he relocated to the USA in 2000.

“Paraic is a Dartfish Certified Technologist and strong advocate of video analysis technologies. He is a leader in methodology and protocols to integrating wearable technologies into sports analysis,” added Victor Bergonzoli, himself co-founder of Dartfish and now [SportsEdTV's](https://www.sportsedtv.com) CEO.

Paraic is also the founder of the MOTION METRIQ the organization which has proprietary and video analysis products, as well as training and consulting services

About [SportsEdTV](#): [SportsEdTV](#) exists to help athletes, coaches and parents LEARN, WIN, and CELEBRATE. We don't expect everyone who uses our learning tools to become a world champion - that's not our mission.

We do expect people who use our educational resources to become their own champions, by whatever definition they view success in their chosen sport. For some, success is making the varsity team, for others, it's becoming country champion, and for others still, it may simply be gaining proficiency at a sport that offers a lifetime of fun and fitness.

To us, no matter your aspirations in sport, if you are striving to improve, you are winning! As a leading sports education media company, we provide FREE video and blog content to anyone in the world with an internet connection.

We also offer a global online community, where athletes, parents, and coaches can interact, connect, chat, share content, and find new friends. [SportsEdTV](#) videos feature coaching from world-class coaches and athletes - many of whom are or have coached world-champions - and have been watched by viewers in every country in the world.
