

Kardo Lock And Security offers Automotive Locksmith Services

Los Angeles, Dec 17, 2020 ([Issuewire.com](https://www.issuewire.com)) - Kardo Lock and Security is a California-based automotive locksmith company specializing in offering the best 24-hour emergency auto locksmith service in Studio City CA, and the surrounding Los Angeles area. The company is focused on maintaining consistency in the quality of its customer service and providing a professional approach to auto locksmithing. Kardo Lock and Security have been in the business for over a decade, and this experience has increased the company's ability to offer locksmith solutions to different sectors.

Owner and founder Ben Jacoby said in a statement, "The company started in response to the needs of residents. Emergencies happen, and car owners may be stuck outside their cars at odd hours and even under extreme weather. We wanted to offer the best 24/7 emergency car locksmith service in the area with an affordable service, and we achieved that. We are licensed and follow the rules of every region we work in while upholding national standards."

The company has a mobile service that responds to clients 24/7 and provides them with a range of services including, replacement of car keys, car key repair, duplication, extractions, door unlocking, and other services. Technicians are readily available to handle tricky situations and are dispatched immediately once a call comes through. The service aims to help the customer save money on tow services or having to break a car window to access the keys.

When you need reliable automotive locksmith services, contact Kardo Lock and Security.

Automotive Locksmith Services Offered

This family-owned company specializes in auto locksmith services such as key cutting and replacing. It has an efficient team on standby to handle all the lock needs of your car. Kardo Lock and Security offer a variety of emergency automotive locksmith services like an emergency lockout, car lockouts, broken key extraction, lock repair, car key replacement, lock picking, transponder issues, replacing old ignition keys with new ones, key fob replacement, and VAT transponder key programming.

Kardo Lock and Security offer car locksmith services to all clients irrespective of the type of car they drive. Whether it is a Mercedes or BMW, the company has skilled hands to provide support to the vehicle owner. The professional technicians have been trained and equipped with the latest tools to quickly and efficiently do the job.

This company is a one-stop-shop for all automotive locksmith needs in Studio City CA, and the surrounding Los Angeles area. Owner Ben Jacoby also said, "we understand that manufacturers constantly change vehicle designs from time to time. Our methods could easily become outdated if we do not follow the trends and train our technicians accordingly. This is why we train our staff routinely to ensure that they are equipped with all the knowledge they need to handle different vehicles without damaging the car." Technicians are skilled in both old technology and modern methods to handle all kinds of cars when it comes to locksmithing.

Kardo Lock and Security have made a name for itself in the Studio City CA area's automotive locksmith services. Residents have relied on the company for 24/7 emergency car locksmith service for over a decade since the business was started. They are known for reliability, quick service, and urgent response no matter the time of day. The technicians are also well trained to advise car owners on their cars' security options if they lose their keys or transponder. The business is licensed to handle all automotive locksmithing needs of Studio City CA residents and the surrounding Los Angeles area.

Automotive Locksmith Serving The Following Locations

Since the company was established, Kardo Lock and Security has evolved and taken its place as one of California's best automotive locksmith services. For over ten years, the company has served the following regions: Universal City, Burbank, Toluca Lake, North Hollywood, Sherman Oaks, Van Nuys, Northridge, and Downtown Los Angeles. Now, Kardo Lock and Security are expanding these services to the greater Los Angeles area. Technicians from the company are fully mobile, enabling them to offer the fastest automotive locksmith service in the region. Their vans are also fully equipped with modern tools to make each operation run smoother and faster.

Kardo Lock and Security also offer competitive rates with no hidden charges while providing experts in the locksmith industry. Aside from delivering excellent services, the company has professionally trained staff that answer distress calls and send help in record time. The tools and equipment used by the technicians are of international standard. This prevents any damage to the car while extracting the key or repairing the lock. The company's owner reiterated that technicians arrive at the scene in case of a car lockout in under 30 minutes. They understand how frustrating a lockout can be, and this is why they arrive at the scene quickly so their customers can be on their way.

Whether you locked yourself out or your car key broke in the ignition, or you need to replace the car keys, Kardo Lock and Security have a standby team to assist residents of the Studio City CA area and the surrounding Los Angeles area. The company removes the stress of having to go through lengthy paperwork and extremely high prices. "Such emergencies can drill a hole in the pocket of the car owner,

so we try our best to provide high quality and affordable service," says owner Ben Jacoby.

About Kardo Lock and Security

Kardo Lock and Security are proud to be the leading provider for locksmith and security needs for Los Angeles and surrounding areas.
