

LCA Vantage Healthcare - America's new and innovative solution to a crippling healthcare system

Charleston, Dec 10, 2020 ([IssueWire.com](https://www.issuewire.com)) - WASHINGTON D.C./CHARLESTON, WV—December 11th, 2020—We're proud to announce the official launch of LCA Vantage Healthcare, an affordable alternative specifically designed to simplify the vast complexities of the healthcare system. Focusing on treating the whole person rather than just the symptom, LCA Vantage Healthcare will provide preventative care including yearly physicals, fixed fee medical care, prescription medicine

powered by strategic partnerships with premier pharmaceutical corporations, safe at-home prescription delivery, as well as streamlined access to individual medical histories. LCA Vantage Healthcare membership will also include a traditional dental and vision plan across a network of providers, primary care for a wider range of general health issues, telemedicine with board-certified physicians via phone and secure video conferences, as well as urgent care and pop-up clinics with extended hours.

LCA Vantage Healthcare was founded by Mexican American financier Vincent Lopez in 2020. Our leadership is a diverse group of professionals whose backgrounds include government, technology, military service, corporate business, and healthcare allied professionals. About the launch of Vantage Healthcare, cofounder and CEO Vincent Lopez stated “we are excited to bring a new, innovative approach to healthcare that is respectful of the vast diversity of our nation, all while providing access to quality and affordable healthcare”, going on to say that LCA Vantage’s secondary goals are to “provide job opportunities, job training, and affordable housing opportunities to the community at large”. The leadership team of LCA Vantage Healthcare is spearheaded by COO Anthony Lopez, Co-founder and CBO Chase Foglia, Cofounder and CTO John T. Hicks, Cofounder and COO Joshua Long, CTO Chris Parker, CFO Daniel Arispe, Chief Sales Officer Juan Miko Joubert, and Director of Communications Owen Walker. Our diverse leadership is composed of several different racial backgrounds, giving LCA Vantage Healthcare the representation and ability to lead change and progress in the evolving healthcare industry.

LCA Vantage Healthcare will offer four separate plans: Individual, Individual Plus, and Family, and Family Plus. Our program is designed for affordability and flexibility for its members while providing the peace of mind that they will be fully covered for preventative and primary care, emergency, surgical, inpatient, and outpatient services. LCA Vantage Healthcare’s strategic partnerships with numerous hospital networks allow for its members to receive the same quality of care from renowned facilities and medical personnel and still remain in-network.

LCA Vantage Healthcare is proud to offer six Mobile Medical Units (MMU), which will supply healthcare services at a variety of locations across the United States. LCA Vantage believes in providing quality care to uninsured, medically underserved children, teens, and adults. Our MMUs are staffed full-time (24/7/365) by board-certified physicians, registered nurses, and other health professionals. There will be an active MMU in each geographic region of the United States rotating their schedule of locations, which will include schools, social service agencies, parks, shopping centers, and our specified “pop-up” clinic locations. In January-February of 2021, two MMUs will be launched.

At LCA Vantage, you’ll receive the best care available, personalized, and catered to your specific needs. We believe in treating the whole person, not just the symptom. Our members’ health solutions are guided by their personal LCA Medical Group Physicians, specialists, and team of caregivers. Our expert and caring medical teams are empowered and supported by industry-leading technology, disease prevention, state-of-the-art care delivery, and world-class chronic disease management.

Founded in 2020, LCA Vantage Healthcare Corporation is designed and committed to simplify the complexities of healthcare, while putting the power of choice and affordability back in the hands of our members, 24/7, 365 days a year.
