

Leawo Provides Up to 40% Discount for All-in-one iOS Manager During 2020 Thanksgiving & Black Friday Deals

In late November, Leawo rolled out its 2020 Thanksgiving & Black Friday Activity, providing free photo enhance and various deals up to 50%. This activity will last until December 15, 2020.

Shenzhen, Dec 7, 2020 (Issuewire.com) - Leawo Software, a professional multimedia software developer that focuses on media dissemination and utility software, has launched its [2020 Thanksgiving & Black Friday Deals](#), offering deep discount bundles and single tools up to 50% discount. Plus, a free registration code of its newly debuted AI-powered photo enhancer – [PhotoIns](#) is available a freebie on its official website during this activity. Starting from November 26, 2020, this activity will last until December 15, 2020.

Among these various deals, Leawo iOS Manager is the most eye-catching one. Consisted of [iTransfer](#), [Music Recorder](#) and [Tunes Cleaner](#), Leawo iOS Manager provides multiple solutions on transferring iOS data between iDevices and computer, record internal and external audio, clean up iTunes music library and other music libraries in simple clicks.

Leawo iTransfer, as an iTunes alternative, provides perfect solutions for iPhone transfer, iPad transfer and iPod transfer issues, helping users get rid of the sync of iTunes. It supports 12 kinds of files to transfer and back up bypassing Apple's restriction. Additionally, Leawo iTransfer is an outstanding

music manager, which allows users to manage the playlists on iDevices and iTunes without limits.

Leawo Music Recorder is one of the top-notch recorders. It can not only record streaming audio and online music like YouTube, AOL Music, etc. but also record audio from Mic or other built-in input audio stream with 100% of original quality preserved. Beyond that, with the advantages of perfecting recorded music information, it also allows users to edit music information and tags manually and manage music library and playlist, etc.

Leawo Tunes Cleaner is an all-in-one iTunes cleanup program that could easily and smartly clean up iTunes music library and external music library to make them tidy and well-organized. It can also act as duplicate remover to detect and delete duplicates songs, and a tag editor to add music tags automatically or manually on recorded audios like the album, name, artist, year, etc.

Until December 15, 2020, iOS Manager is available at the price of \$71.95 for lifetime licenses. Compared to full price, \$47.98 will be saved in this 2020 Thanksgiving & Black Friday activity. This toolkit also supports split sale. People are allowed to purchase each product separately at 30% off discount by using a site-wide coupon.
