

Metrix Distributions - online distributors of Vape pens and bongs.

We are known for our extensive collection that features the best that smoking and vaping offers the world.

Ontario, Dec 17, 2020 (Issuewire.com) - Metrix Distributions is an international distributor and wholesaler of smoking and vaping products and related accessories. With our large variety of high-quality vaporizers and other smoking products for sale, we are fast becoming the go-to source for smokers across the country when tongs, e-cigarettes, and all the equipment to go with it more stuff

arrives.

We are known for our extensive collection that features the best that smoking and vaping offers the world. Our online store has over 7,000 products shipped worldwide, especially pipes and pieces of glass, which can be challenging to ship. We make it our mission to provide safe, reliable shipping that ensures you get your order in one piece. Every day and we become the leading one-stop smoke online shop in Southern California. We have been serving the world for 18 years with our extensive collection of products. Metrix Distribution has sold over a million [bongs](#), and pipes, and thousands of vaporizers.

We are now a trusted online head shop dedicated to providing quality smoking experiences. We have grown up a bit, but the intimacy and attention to detail are still unmatched. From our water pipes, dry pipes, pressure rigs, and more - everything you'll find at [Metrix Distribution](#) has been selected by our talented team in Southern California. We are direct importers of these products, which means that our prices are reasonable and the quality of our products is under our control.
