

Michael T. Murray, MD, a Orthopedic Surgeon with NewYork-Presbyterian Medical Group Westchester

Get to know Orthopedic Surgeon Dr. Michael T. Murray, who serves patients in Eastchester, New York.

New York City, Dec 29, 2020 ([IssueWire.com](https://www.issuewire.com)) - Being a fellowship-trained orthopedic surgeon, Dr. Murray's specialties include interventional spine care, scoliosis, disc arthroplasty, and minimally invasive spine surgery. He practices at New York Presbyterian Medical Group Westchester in Eastchester, New York.

Dedicated to providing state-of-the-art care to patients, he is also affiliated with New York-Presbyterian Lawrence Hospital located in Bronxville, New York. Alongside his clinical role, he serves as an Assistant Professor of Orthopedic Surgery at Columbia University.

Earning his medical degree from New York Medical College, Dr. Murray went on to perform his internship at Dwight D. Eisenhower Army Medical Center. This was followed by a residency at St. Vincent's Medical Center and a fellowship at UCSF Medical Center.

With over three decades of experience, the doctor is board-certified in orthopedic surgery by the American Board of Orthopedic Surgery (ABOS). The ABOS is an organization with the goal of establishing educational and professional standards for orthopedic residents and surgeons as well as evaluating the qualifications and competence of orthopedic surgeons.

Orthopedic surgery is the branch of surgery concerned with conditions involving the musculoskeletal system. Orthopedic surgeons use both surgical and non-surgical means to treat musculoskeletal trauma, spine diseases, sports injuries, degenerative diseases, infections, tumors, and congenital disorders.
