MilesWeb Announces Christmas Sale with a Free Domain on Web Hosting Plans

**Nashik, Dec 11, 2020 ([IssueWire.com](https://www.issuewire.com))** - The leading web hosting company of India, MilesWeb has announced that it is offering a free .SHOP domain with all their web hosting plans during the Christmas Mega Sale. Additionally, they have launched special offers for Christmas which include 80% OFF on all web hosting plans.

Throughout the MilesWeb's Christmas Mega Sale, new customers can save big with 80% OFF on web hosting plans. Their web hosting plans start at Rs.40/mo. The good news is that you are getting a .SHOP domain for free with the Tyro plan too. The Tyro plan also includes unlimited bandwidth, free website builder, Softaculous 1-click installer and are WordPress optimized. Moreover, you get to select a domain from .IN, .COM and .SHOP with their Swift and Turbo plans.

Customers can directly purchase the plans and get the benefits of the sale without using any special code for obtaining the discount. For more details, check <https://www.milesweb.in/blog/news-and-updates/milesweb-mega-holiday-sale/>

The Christmas period is traditionally the best time to purchase web hosting as web hosts offer the best discounts on their regular prices. MilesWeb has always aimed on offering the best performance, customer support, stability and reliability with their web hosting solutions.
