

## Natasha Jane Julian Comes as Bold as Brass with Her Spectral Vocals in the Single ‘Brother Brother’

Possessing sensational vocals, the California Pop singer Natasha Jane Julian leaves behind the charred memories of an elusive past in the single ‘Brother Brother’.

**California City, Dec 14, 2020 ([IssueWire.com](https://www.issuewire.com))** - Nurturing the old memories with an immense passion that's hard to find in the banal world, the new singer **Natasha Jane Julian** revises the chapters of an ancient time in her life with the deep chorus of '**Brother Brother**'. The angelic vocals of the promising [California Pop singer](#) will hunt you until you are completely soaked in rare emotions, unfamiliar with its presence. Lies, deep scars, and the flame of an empowering character structure her music, inspire her to pen down her scariest thoughts and spellbind the audience with icy melodies. The song is the sign of a beautiful reminiscence of her high spirits and golden summer days that guided her to forge an irreplaceable connection. It is unapologetically personal with the emotive lyrics interlaced with a sense of love.

**Natasha Jane Julian** is born and bred in a small city in Southern California. The mountainous region has embedded her with unadulterated freedom and innocence. She exhibits the plethora of her amazing potential through her musical work, bearing out an extraordinary EP ANGEL in 2019 with the Grammy award-winning producer Dom Morley. The project tells a lot about her individuality and the enigmatic source of her bliss. She was a born superstar who was destined to flood the industry with her mythical essence in her heart-whelming vocals. She found her potential charm in music and dancing just after her toddling days. Keeping herself busy with dance and classic music lessons, she was brought to the same shore to find her exclusive sound.

'[Brother Brother](#)' is the second big collaboration in her growing career as she teamed up with the UK producer & Composer Ian Barter. 2020 has been a busy year for the uprising musician who has already produced several alternative pop songs. Claiming to be one of the most influential artists on Soundcloud, the list of her hits is just increasing with the widely popular singles '**My Wicked Game**' and '**I Am Your Queen**'. She caught the attention of pop lovers after the tremendous cover of Lana Del Ray's '**Summertime Sadness**'.
