

Nirali Healthcare Partners with ReLiva Physiotherapy & Rehab

ReLiva and Nirali partnership brings together two like-minded entities with a common vision to provide international-standard healthcare. ReLiva brings its modern, high quality physiotherapy services to the residents in Powai, Chandivali Mumbai

Mumbai, Dec 12, 2020 ([Issuewire.com](https://www.issuewire.com)) - Nirali A M Naik Charitable Healthcare Facility has partnered with ReLiva Physiotherapy & Rehab to deliver modern, high quality physiotherapy services in its premises. This would benefit the residents in Powai, Andheri (E) and Chandivali to avail affordable and result oriented physiotherapy treatment at this [physiotherapy clinic in Nirali premises](#).

Subodh Gupta, Founder & CEO of [ReLiva Physiotherapy](#) says, “*This partnership would allow Nirali to offer high quality physiotherapy treatment for a multitude of conditions including orthopaedic, neurological, cardio-pulmonary, post-operative rehab and sports injuries.*” ReLiva's team of highly qualified and experienced physiotherapists use "Exercise as medicine" to ensure sustained long-lasting recovery for patients.

ReLiva and Nirali share a common vision of providing quality healthcare. This partnership witnesses the coming together of two like-minded entities with a common vision with an aim to provide international-standard healthcare.

About Nirali Healthcare Center:

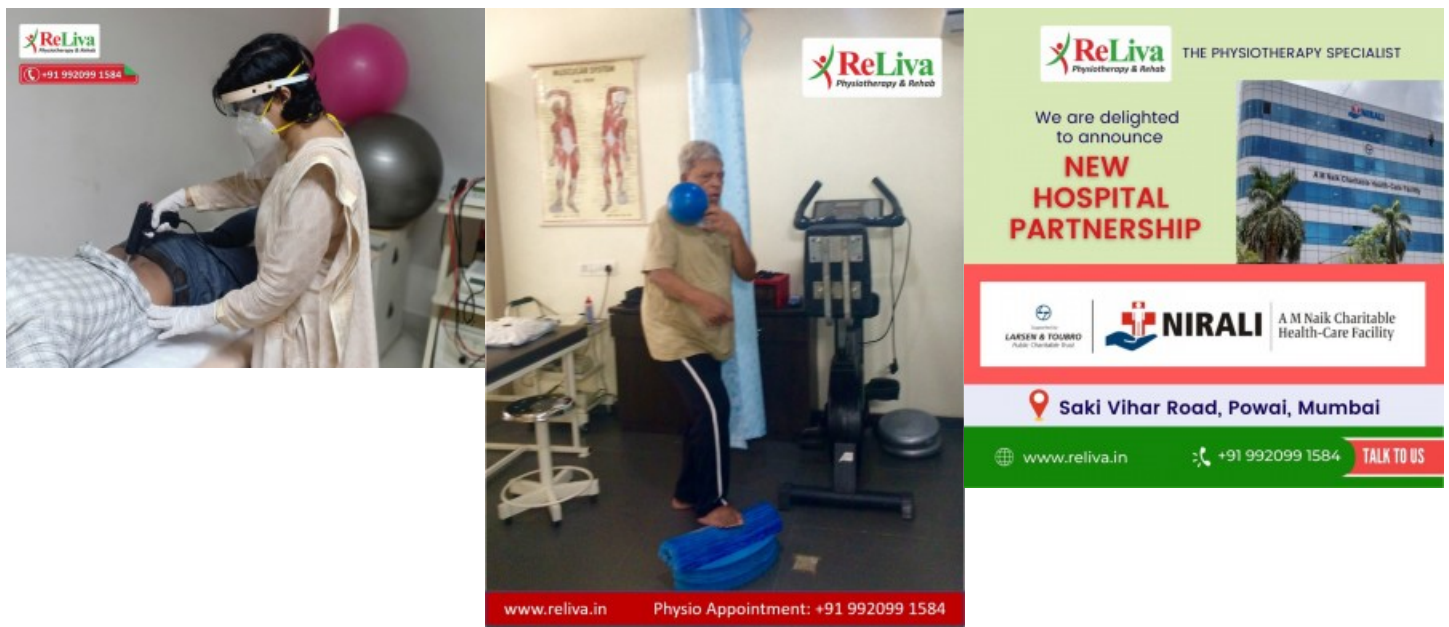

Nirali A M Naik Charitable Healthcare Facility, Powai was established in 2017 with the objective of

providing quality healthcare at affordable prices. Nirali is a spacious, 5 storied healthcare center located at Saki Vihar Road and provides services like OPD consultations, diagnostics, pharmacy, and casualty. Nirali plans to start IPD services shortly.

About ReLiva Physiotherapy & Rehab:
