

TATA-MISTRY Dispute And The Magic Formula (85-20=65) Proposed by His Excellency AHMED ALJARARI

TATA-MISTRY Dispute And The Magic Formula (85-20=65) Proposed by His Excellency AHMED ALJARARI will definitely bring good fortunes and justice for UAE Investors.

Dubai, Dec 13, 2020 ([Issuewire.com](https://www.issuewire.com)) - TATA-MISTRY DISPUTE AND THE MAGIC FORMULA (85-20=65) PROPOSED BY HIS EXCELLENCY AHMED ALJARARI WILL DEFINITELY BRING GOOD FORTUNES AND JUSTICE FOR UAE INVESTORS.

Mistry Family Proposal of Share Swapping for Separating from Tata may bring good fortunes and justice for UAE investors through a proposal submitted by His Excellency Ahmad Al Jariri CEO of Private Office of His Highness Sheikh Hamdan Bin Ahmed Al Maktoum.

TATA-MISTRY dispute overvaluation of \$20 billion stakes is making international news and in this dispute, a proposal submitted by His Excellency Ahmad Al Jariri under the provisions of international treaties like DTAA and BIPA will bring fortunes up to \$85 billion for investors from UAE which is claimed by Thakur Family Trust USA out of which 15% stake holding by Office Of Highness Sheikh Hamdan Bin Ahmed Al Maktoum Investment and 1% stake holding by Mr. Amit Lakhanpal is 1% Stakeholder in that claim.

Clause 63 and 72 of the application submitted by SP group in the supreme court of India demands

appointment of expert and detailed calculation of assets and liabilities before separation from tatas.

His Excellency Ahmad Al Jariri has submitted their proposal which speaks about the same detailed calculation for their pending request with the Government of India under international treaties like DTAA and BIPA.

The appointment of expert and detailed calculation of assets and liabilities through an international expert for UAE BIPA investment in India (which is reported under diplomatic communications) will give justice to UAE investors which is pending with the Government of India for the last 5 years with reference to a reply submitted by R. Balasubramanian an advocate appointed by Government of India and violations reported by UAE investors through their law firm for an investment loss up to \$85 billion through a notice of dispute and through their application under article 27 of DTAA to foreign tax division of India

A magical $85-20 = 65$ formula proposed by His Excellency Ahmad Al Jariri can ease the cash flow burden on Tata and sons against the ongoing dispute with SP group and can definitely bring huge fortunes for UAE investors TFT USA and Office of His Highness Sheikh Hamdan Bin Ahmed Al Maktoum.
