Welcome to Tax Sale Insiders!

Missoula, Dec 1, 2020 (Issuewire.com) - [Tax Sale Resources \(TSR\)](#) is pleased to announce the launch of a new interview series, [Tax Sale Insiders](#), focusing on experts within the tax sale industry. Tax Sale Insiders includes attorneys specializing in tax sale process law, lenders offering the ability to leverage your tax lien portfolio, title experts, and much more.

“There are a lot of so-called gurus in the tax sale space that focuses on providing just enough information for new investors to get themselves in trouble, but not enough detail to really understand the potholes that exist in this space,” said Brian Seidensticker, [Tax Sale Resources](#) Chief Executive Officer, and creator of [Tax Sale Insiders](#). “We’re not a personal coach for new investors, but we do have relationships with many attorneys and experts encompassing a wealth of knowledge well beyond anything we could try to compile ourselves. This is our way of offering direct access to that knowledge previously unavailable, and it’s free.”

[Tax Sale Insiders](#) will be releasing new interviews with experts once or twice monthly, usually on Wednesdays, with each episode ranging from 30 to 90 minutes.
