

Acies announces the appointment of Tuck Chan as Regional CEO for ASEAN operations

Kuala Lumpur, Jan 10, 2021 ([Issuewire.com](https://www.issuewire.com)) - [Acies](#) re-affirmed its commitment to the ASEAN region with the appointment of [Tuck Chan](#) as the CEO of ASEAN Regional Operations. Tuck will be based out of Acies' ASEAN Regional Office at Kuala Lumpur, Malaysia, and will work closely with Acies' global leadership team to bring the best of Acies' technology and services to financial institutions and other organizations in the region. Additionally, Tuck will also be focused on building and enhancing the Acies Alliance Partner ecosystem.

Over his career spanning over 30 years, Tuck has served as a senior and strategic member for large organizations in the financial services and financial technology space. His broad experience and deep financial services expertise have made him a thought leader in the ASEAN region especially in the areas of risk management, financial crime compliance, analytics, and the practical usage of cognitive technologies and approaches in financial services.

Over the next 3 years, Acies is committed to establishing a sizeable presence in the region and hiring the best talent in the technology, risk, and regulatory space. Tuck's role in Acies' global family of professionals will be vital in bringing the best of Acies' technology platforms and applications, and

domain knowledge to our clients and partners.

Acies is pleased to welcome Tuck to its leadership team and we wish him the best in his new role.
