Seattle, Jan 12, 2021 (Issuewire.com) - Nicolai Friedrich is a new age magician who has performed more than 3000 shows in countries like Germany, the USA, Dubai, India, Hong Kong, to name a few. He has astounded the audience in every single venue that he has performed in and his most prominent take away is leaving the audience gasping in disbelief.

The mentalist maestro has bagged numerous accolades & awards like the best performer award in the 'Mental Magic' category at the prestigious 'FISM World Championship of Magic' in Beijing & Siegfried & Roy 'Sarmoti Award' in Las Vegas.

This time, the famed German magician and mentalist Nicolai Fridrich returns to the land of the dreams and opportunity, in an all-new avatar! He brings with him his repertoire of experiments, charisma, and flair that will spellbind you and your family, live all the way from Germany, courtesy of AGP World One.

From Mystery Kits to predictions, this virtual mentalism spectacle is ready to entertain you from the word go! Nicolai's signature "Mona Lisa Smile" is an example of that, a trick so remarkable that David Copperfield himself bought the exclusive US-TV-rights of this act. Additionally, in 2017, he had successfully predicted the TOTO (Singaporean Lottery).

Get ready to witness the magic unfold, live from the comfort of your homes...
