

Akshara International School now in Kukatpally, Hyderabad

Two decades of Experience in Bangalore, Proved at L.B.NAGAR. Now in the heart of the city Kukatpally. One of the top international school with the best facilities across Telangana. Our specially designed curriculum (AEP) Akshara Education Policy.

Hyderabad, Jan 18, 2021 ([IssueWire.com](https://www.issuewire.com)) - Akshara International School aims to merge the best global practices in education with the most ideal pedagogical tools and systems. We groom children to garner the best academic excellence and foster life-skills. With an all-inclusive learning ambiance, our students are prepared as global-ready citizens.

Academics

Akshara focuses on a blended curriculum that gives equal importance to academics, co-curricular activities, and personality development:

- The school follows the CBSE curriculum for all grades aligned with IB methodology in Pre-primary and Primary.
- Students are trained with a broad and balanced approach to accomplish excellence in academics and to make them future-ready for success in the competitive world.
- A diversified learning environment for pre-schoolers.
 - Focus on providing an ideal and professional platform to excel in competitive exams such as NTSE, SOF, ASSET, RMO, NSTSE, UIEO, IMUN, etc.
 - Career Foundation Programmes and Counselling Sessions to support the students in opting for better career paths.
 - Engages students in social events such as the celebration of festivals and days of national and international importance to inculcate social consciousness.
 - Organizes field trips to enable students to learn about the neighborhood, nature, historical monuments, etc.
 - The school is committed to staff development with a wide range of ongoing training programs and workshops, to equip the staff with the latest trends of emerging educational scenarios.
 - Research and development team with 50+ experienced professionals strives constantly and diligently towards the goal of empowering teachers to deliver the best quality education to enable our students to excel in academics.

Iconic Features of Akshara

Students at Akshara International School, are challenged to put in their best and kept engaged with new ways of learning, in order to empower them with interpersonal character traits, self-advocacy, and resilience.

Akshara is developed on a beautiful vast one-acre lush green campus located in the residential cluster in the heart of the city. The serene backdrop gives a world-class look at the school. The academic wings, administrative block, sports center, open-air amphitheater, sprawling playgrounds, and bus bay make Akshara stand out among others.

The campus is designed with spacious and well-ventilated airy classrooms provided with cubbyholes for

each student to keep books and materials so as to reduce the bag load.

Facilities: The school offers a wide range of facilities to provide a cozy and safe learning environment with the following amenities:

- Well ventilated classrooms.
- **Technology-enabled Auditorium.**
- One Acre vast campus with specially developed educational and sports infrastructure.
- A well-resourced library with a wide repository of books, reference manuals, newspapers, journals, magazines, encyclopedias', comics, magazines, and audio-visual resource material.
- **Specially developed Sports Infrastructure** with Playgrounds, Bowling/Batting Nets, Skating Rinks, etc.
- Outdoor learning spaces and purposeful play-built playgrounds.
- ICT and Language Laboratories with world-class computer systems.
- Science Labs with science apparatus, related equipment, and accessories to provide excellent scope for practical learning and research work.
- Stocked infirmary with trained attendant round the clock to provide First-Aid.
- Regular health check-ups under the guidance of doctors to track immunization and physical development among students.
- Safe and secure transport facility with experienced drivers and attendants (Ayah) with GPRS tracking and **250 plus trained staff to commute students**
- Specially trained and well-behaved security personnel to monitor and respond to all emergencies.
- The campus is under 24 x 7 security surveillance to ensure safety for all students.
- Healthy routines to ensure physical and social well-being with hygienic facilities and good practices.

Special Features

- Student health profile: A team of doctors enables us to prepare a student health profile that includes physical assessments to analyze the stamina and potential of every student.
- Conducting Major events like sports day, investiture ceremony, and annual day on a grand scale every year with live streaming in social media.
- We celebrate all the national and international important days to make students familiar with all cultures.
- A plethora of co-scholastic activities include projects, presentations, symposiums, debates, quizzes, role-plays, etc. in addition to music, dance, arts, crafts, and value education.
- Encouragement towards specialized sport/ activity to excel and gain mastery in the chosen skill

Home Schooling with digital learning experiences

Akshara's Homeschooling is a unique creative pedagogy for learning various concepts that is enjoyable and effective. There is no overt teaching, learning just happened digitally. The homeschooling program represents passion, innovation, and excellence with a digital learning experience. Learners are fascinated by virtual classrooms that also deepened parent engagement in learning. The homeschooling

program also has integrated video-based demonstration modules that enable learners in simultaneous listening, seeing, and interpretation of the content. This program will continue further for imparting technology-enabled education in a regular curriculum.

Akshara Sports Academy

Sports and games have emerged as the most essential prerequisite for the overall comprehensive development of students. At Akshara International School, we give equal importance to sports and games to inculcate a spirit of sportsmanship and teamwork and to develop awareness towards a healthy lifestyle in students. In this direction, we have conceptualized a Sports Centre of Excellence with the name “**Akshara Sports Academy**”.

At the Akshara Sports Academy, our salient features are:

- Ideal integration of sports education with the school's curriculum.
- Experienced Coaches, Physical Education Teachers (PET), and Sports Trainers to deliver focused training.
- Extensive playfields with the athletic track, football field, tennis, basketball and volleyball courts, cricket nets, and a Skating rink.
- The indoor sports zone comprises table tennis, caroms, chess, and various other board games.
- A structured initiation to groom sports talents
- Special Focus on Yoga and Meditation
- Eco-friendly play arena for pre-primary which includes a sandpit, ball pool, and splash pool
- Student's participation in inter/intra school competitions and external sports competitions conducted by Sports for All (SFA), School Games Federation, Hyderabad Cricket Association, District Sports Authorities, etc
- We are associated with BaichungBhutia Football School, Hyderabad Football Academy, Noel David Cricket Academy, Mumbai Sports Academy, National Handball Academy, Telangana Cricket Association, Telangana Badminton Association, Handball Federation of India (HFI), and T-Sports Hub.
- Akshara group owns teams in leagues for games/sports like Cricket, Kabaddi, Handball, etc. We have strategic collaboration with nationally reputed sports academies.

Extra Time Zone (ETZ)

ETZ provides the scope and professional guidance to excel in one's chosen field. We provide intensive coaching in a specific sport or activity during school hours. This uniquely structured ETZ gives scope for students to enhance their skills in sports, and raise them to the district, state, national and international levels. The highlights of the ETZ are:

- Focus on Physical Education
- Age-appropriate training
- Continuous Performance Analysis for all trainee students
- Complete understanding of Sports-related Rules, Regulations, Standards, and Guidelines

Akshara Sports Scholarships:

The ETZ has produced a few excellent groomed sportsmen, who could reach great heights in their chosen field of sports. Taking this as an inspiration, Akshara proudly announces **Akshara Sports Scholarships** to the students who have excelled in any sport and won laurels at District/State/National levels. The finalists in sports at any level will be sponsored to participate in finals.
