

ANGELUVE offers a sustainable fashion alternative with a spiritual message

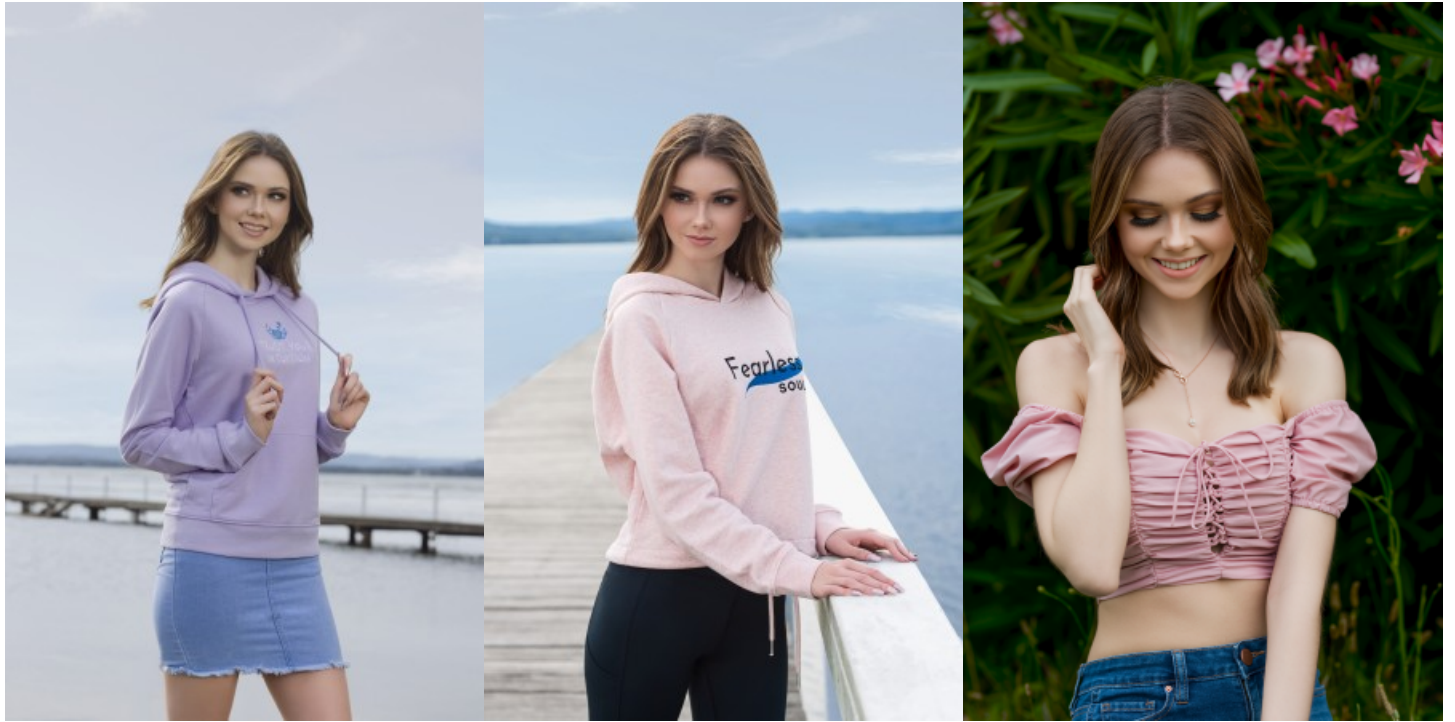

Australia, New South Wales, Jan 21, 2021 ([IssueWire.com](https://www.issuewire.com)) - The fashion industry has become the pioneer at inventing ways to renew and recycle. International lifestyle brand from Sydney, Australia, ANGELUVE has become popular among environment conscious fashionistas with its highly sustainable fashion products. The brand makes its products in the most sustainable way possible. They sell t-shirts, sweatshirts, and jewelry made from eco-friendly and recycled materials.

ANGELUVE is determined to make a positive impact on our planet with its sustainable approach. Their products are made from materials that have a positive impact on the environment, people, and animals. Their t-shirts and sweatshirts are made from pure organic cotton, Tencel, recycled fiber, plant-based fibers, and other environment-friendly materials. As a socially and spiritually conscious brand, they make sure that their garments and packaging do not cause harm to the environment. Being a socially conscious brand, they always make sure that all their employees have a positive environment and receive ethical treatment at work. They only work with those suppliers who share the same ethical values.

More than a clothing brand, ANGELUVE is a state of mind and a way of life. The brand sets out to make a positive difference by empowering people's lives and valuing conscious living. The brand's inspiration behind its design comes from spirituality. Its goal is to create unique products and experiences that nurture individual spiritual growth, as well as raise people's awareness around how they can live a life of passion, purpose, possibility, and potential. The versatile collection features a range of soulful pieces of clothing that celebrate love, faith, positivity, self-belief, freedom, empowerment, and all things spirituality.

The Australian lifestyle-brand was established on the premise of giving back to society and nature following a sustainable and conscious path. A portion of sales goes towards charities with good cause. The brand also encourages its customers to practice a positive and eco-friendly way of living. For more details visit them at angeluve.com
