Mumbai, Jan 7, 2021 ([IssueWire.com](https://www.IssueWire.com)) - "If you want to be successful in your dreams, then first you should have a dream and passion to fulfill that."

Just like that, a young teen from Ichalkaranji named ARBAJ MUJAWAR shaped his future. He is born and brought up in Ichalkaranji situated in Dist. Kolhapur of Maharashtra State.

He has done a Diploma course in Textile Manufacturing in a well-known Institute. From the start, Arbaj loves photography and modeling and that's why he was a bit famous kind of a person in the college days. Many of us want to look good but we asked Arbaj what is your opinion about good looks he said, "Smile is the most amazing thing that a person can wear to look handsome." Exactly, he made a good thought. Day by day his love for photography and modeling turns into passion and finally into a Profession. Now He is the most amazing Model of Ichalkaranji city.

He is an Instagrammer, content Creator, Influencer, and many more. Being in a City like Ichalkaranji there are fewer chances of getting exposure to the Modelling field but as someone said "Nothing is impossible" and he made it. He has 12K+ followers on Instagram who daily waits for what he is gonna feed today cause he is a very active person on social media. Now in the future, he has dreamed to be a Model for Brands and we know he would definitely be there one day.

We praise his dedication and hard work and we are inspired by his thoughts and commitments.
