

Best Price Cash for Car Launches "Get Free Quotes" Service for their Clients

Hamilton, Jan 7, 2021 ([Issuewire.com](https://www.issuewire.com)) - Best Price Cash for Car launches new service - Get free quotes for people planning to sell their junk cars. Now, users can get instant quotes for their [junk cars in New Jersey](#) just by calling them and sharing basic information about the car.

Started from New Jersey company is now offering services almost all over the US and continually

expanding to other areas as well. Free Towing 24/7, same-day towing, quick cash, and others are some of the unique services that set them apart from its competitors.

At the event, M.D states, "We aim to stay competitive by offering the best services to our customers. Get free quotes service is our initiative to improve our services and ease customers who want to get rid of their junk cars with the best deals. A customer just needs to call us and provide all the basic information about the car. Our team members will share the best possible price for their car. Our towing team provides their services 24/7 will come to your place and give you cash on the spot. With this, we want to give the best experience to our customers by giving them the best services at the comfort of home."

"We are working on adding a new feature to our website, keeping current COVID-19 conditions of the market in our mind. Now, a customer can share information about the car, and we share quotes and other details via email. It will help us streamlines our work process, and the customer will get instant cash in their account or cash during towing of the vehicle. Our development team is working on adding this feature on the website, and soon, this will be available on the platform." Marketing head at the event.
