

Bijay Sanjeev, MD, Internist in Arizona

Get to know Internist Dr. Bijay Sanjeev, who serves patients throughout the State of Arizona.

New York City, Jan 14, 2021 ([Issuewire.com](https://www.issuewire.com)) - A practiced internist, Dr. Sanjeev is equipped to handle a wide variety of adult illnesses. He is affiliated with a number of hospitals and medical centers in Arizona, including Carondelet St. Joseph's Hospital, Carondelet St. Mary's Hospital, Saint Joseph Hospital & Medical Center, Tucson Medical Center, Northwest Medical Center, and Wilmot Primary Care Group, PLLC.

Having been in practice for over three decades, Dr. Sanjeev graduated with his medical degree from Jawaharlal Nehru Medical College in India in 1994. After relocating to the United States, he furthered his education with a residency in internal medicine at Hackensack Meridian Jersey Shore University Medical Center in 2001.

Among his most notable achievements, he is the author of *Anastomosis*, a collection of 50 inspirational poems. Every poem has a positive meaning, through which Dr. Sanjeev hopes to connect his readers with positive thoughts and real-life experience. It is his hope that his book will bring some sense of hope and happiness during the COVID-19 pandemic, helping individuals get over anxiety and frustrations.

Internal medicine is the medical specialty dealing with the prevention, diagnosis, and treatment of adult diseases. Physicians specializing in internal medicine are called internists. They manage and prevent common and complex diseases by providing comprehensive care and promoting overall well-being.
