

Carson-Dellosa LLC Partners with AWE Learning on Launch of Platinum Online

Pennsylvania, Chester, Jan 22, 2021 (Issuewire.com) - AWE Acquisition, Inc., dba AWE Learning, is excited to announce its recent partnership with Carson-Dellosa LLC, dba Rourke. Headquartered in Chester, Pennsylvania, AWE Learning is the leading provider of digital learning solutions for public libraries throughout the United States and Canada.

AWE Learning's new Platinum Online, is a cloud-based product featuring more than 175 educational titles for ages 2-12, with a single login. Content is award-winning and spans all STREAM subject areas (Science, Technology, Reading, Engineering, Art & Music, and Math), plus SEL (Social Emotional Learning). As an annual subscription, Platinum Online brings new and exciting content to libraries, as well as virtual learners, homeschoolers, and pandemic pods. We are excited to have Rourke's non-fiction e-books on Platinum Online, including titles covering the solar system, American symbols, animals, diversity, and more.

Through AWE Learning's partnership with Rourke, their educational titles will reach a larger audience and will assist children to expand their learning outside of school hours. Rourke's educational e-books help young learners in reinforcing and practicing STREAM skills, build their confidence level, and have fun while learning!

AWE Learning President & CEO, Dr. Deborah B. Sorgi, said, "We are excited to partner with Rourke. Companies like Rourke offer a variety of prominent learning content for our target age group and markets. In the modern-day, it is important to give children content that allows them to have fun while learning. Platinum Online does just that and gives children a website that offers content that caters to all levels and interests. While libraries are closed or limited to a lower capacity due to COVID-19, Platinum Online allows libraries to distribute logins to families so children can access AWE Learning products from home! Platinum Online gives youngsters the opportunity to continue learning beyond their virtual school day. We are confident that users will enjoy interacting on these titles whether they are at home or

in the library."
