

Catherine Makin, DO, an Ophthalmologist with Westlake Eye Specialists

Get to know Ophthalmologist Dr. Catherine Makin, who serves patients in Texas.

New York City, Jan 7, 2021 ([Issuewire.com](https://www.issuewire.com)) - Dr. Makin is one of the leading practicing ophthalmologists at the Westlake Eye Specialists, where she helps patients find the perfect solutions to alleviate their acute and chronic dry eye problems. She specializes in premium refractive cataract surgery, dry eye, diagnosis and treatment of cataracts, diseases of the eye, and pterygium.

“My passion is helping patients achieve their visual goals using the most up to date treatments and advanced technology available. With a top-notch team and cutting-edge science, we are able to provide patients with excellent and heartfelt care” expressed the doctor.

Prior to moving to beautiful central Texas, Dr. Makin was the medical director of an ophthalmology clinic, EyeSight Hawaii, in Maui. She brings her expertise in quality patient care and precision cataract surgery to assist the patients of central Texas with their overall eye health.

Academically, she earned her Bachelor of Science degree in Neuroscience from the University of California, Santa Cruz. She then went on to complete her Doctor of Osteopathic Medicine degree from Touro College of Osteopathic Medicine in 2012. Upon graduation, she performed her residency in ophthalmology at Valley Hospital Medical Center in Las Vegas, Nevada in 2016.

Subsequent to her training, she attained board certification through the American Osteopathic Board of Ophthalmology and Otolaryngology (AOBOO). The AOBOO is a joint organization that provides board certification to qualified Doctors of Osteopathic Medicine who specialize in the medical and surgical treatment of the eye (ophthalmologists) and to qualified Doctors of Osteopathic Medicine who specialize in the medical and surgical treatment of the ears, nose, and throat (otolaryngologists).

In order to stay up to date in her field, Dr. Makin remains an active member of the American Academy of Ophthalmology, the American Society of Cataract and Refractive Surgeons, and the American Osteopathic Association.

Ophthalmology is a branch of medicine and surgery, which deals with the diagnosis and treatment of eye disorders. Ophthalmologists are experts in the diseases, functions, and anatomy of the eye. They may provide routine care such as vision testing, as well as prescribe and fit eyeglasses or contact lenses. However, ophthalmologists are also surgeons. They repair traumatic injuries to the eye and perform cataract, glaucoma, and corneal surgery.

A voted recipient of the Humanism in Medicine Award by her colleagues, Dr. Makin strives to bring a humanistic approach to her patients with compassion and care.
