

Chantz Marie's new single, release date 20th Jan 2021

Island

London, Jan 17, 2021 ([IssueWire.com](http://www.IssueWire.com)) - Biography:

Chantz Marie born in Ipswich Suffolk and raised in Dominica, currently living in London, started her musical journey 4 years ago. With hit releases such as Hero, Spoil You, Paper, and Different from the rest. (DFTR) was a big hit with Ben's television channel in 2020. Chantz won the best upcoming artist award in 2018 and since then her music has gone from strength to strength. Chantz has worked

alongside industry heads such as Blingy Fresh, Wot Entertainment, multi-award-winning Glemma Kid, Ras Gandhi, and the list goes on.

Track Info:

(ISLAND) written by Chantz Marie during the 2020 lockdown period is due to be released on Jan 20th, 2021. Chantz gained more inspiration and strength during the lockdown period and became fully focused on her passion for songwriting and music-making. (ISLAND) is personal to Chantz it refers back to times when she needed to get away and had flown back to Dominica (her paradise).

Lots more to come:

CM's debut album called Worth is due to be released within the first few months of 2021. So look out for her on socials & other platforms as she continues to showcase her talent to the world.
