

Deborah Dennis, MD, a Family Physician with St. Joseph Hospital Primary & Specialty Care - Nashua

Get to know Family Physician Dr. Deborah Dennis, who serves patients in Nashua, New Hampshire.

New York, New York City, Jan 20, 2021 ([Issuewire.com](https://www.issuewire.com)) - Dedicated to the profession of family medicine, Dr. Dennis is qualified to treat most ailments and provide comprehensive health care for people of all ages — from newborns to seniors. She can be found on staff at St. Joseph Hospital Primary & Specialty Care - Nashua in New Hampshire.

St. Joseph Healthcare is a network of hospitals and health care facilities serving the greater Nashua area, southern New Hampshire and northern Massachusetts. The main facility is the 208-bed St. Joseph Hospital, with satellite centers in Milford and Merrimack. The service is now part of Covenant Health Systems.

“We are a Catholic health ministry, providing healing and care for the whole person, in service to all in our communities” according to their mission statement.

Before embarking on her professional journey, Dr. Dennis graduated with her medical degree from SUNY Downstate College of Medicine in 1976. She then went on to perform her internship and residency in family medicine at Highland Hospital in 1977 and 1979, respectively.

Having more than 45 years of diverse experiences, especially in family medicine, she is the recipient of Compassionate Doctor Recognition (2010) and Patients’ Choice Award (2014, 2016, 2017).

Family medicine is a medical specialty devoted to comprehensive health care for people of all ages. The specialist is called a family physician or family doctor. A family physician is often the first person a patient sees when seeking healthcare services. They examine and treat patients with a wide range of conditions and refer those with serious ailments to a specialist or appropriate facility.

On a more personal note, Dr. Dennis speaks both English and French.
