Design A Dedication Plaque online

Ontario, Oshawa, Jan 20, 2021 (Issuewire.com) - Bronze dedication plaques provide a permanent way to honor important people

Whether you are dedicating a building or park, acknowledging historical significance, or honoring an individual, a bronze [dedication plaque](#) from the Bronze, Plaque is lasting honor.

- Engraved Bronze - Ideal for finer text and intricate designs, we will engrave and embed your copy on a bronze or brushed brass background.
- Cast Bronze - Embossed bronze metal lettering on a dark background is a classic look for plaques dedicated to parks and buildings.
- Photography options include bas-relief portraits, raised portraits, and recorded photos.
- Pole and stakeholders are also available

What is your standard delivery time on plaques?

- Cast plaques: 12-15 business days
- Photographic plaques in relief: 20-25 business days

Rush production options are available.

What rush production options are available on plaques?

We are glad to try to accommodate rush orders on custom office signs, if possible. Please let us know the date you need the signage in hand or installed, and we will try to accommodate it. Also, fill out the quote with your exact details before calling. Rush production fees will apply.

You can also provide your own art. We will need any art file in AI, EPS, or PDF vector format, with all fonts converted to outlines. Be sure to follow the minimum font size rules.
