

Essential New Book 'Pre-Foreclosure Solutions Layman's Guide to Prevent and Stop Foreclosure'

Pre-Foreclosure Solutions You Can Stop Foreclosure Today!

Miami, Jan 12, 2021 (IssueWire.com) - The Founder of Pre-Foreclosure Solutions, Captain Charles Galan launches his book, Pre-Foreclosure Solutions Layman's Guide to Easily Prevent and Stop Foreclosure and the self-help pre-foreclosuresolutions.com website!

Now that the CARES program has ended and banks are recalling their delinquent loans, the foreclosure

information website and guide are an important resource for homeowners.

The guide helps readers learn how to ask for and to better negotiate options from studying all of the available lenders' mortgage foreclosure workout program options and is available to read for free on [Amazon.com](https://www.amazon.com).

The website is a foreclosure self-help guide teaching readers to understand how to stop foreclosure, and where to get many kinds of government assistance.

They will now be able to organize and prepare financial information by following the example Foreclosure Workout Application and its instructions which are included in Layman's Guide.

Captain Charles Galan grew up in Miami, Florida where he achieved the accolades of Associate in Science in International Business from Miami-Dade College, Bachelor of Science in Professional Administration from Barry University, Florida Assistant Real Estate Appraiser, Mortgage Broker, and Real Estate Sales Associate licenses from the Gold Coast School of Real Estate.
