

Evergreen Rehab and Wellness Now Offering MedX Phototherapy (Laser Therapy)

Installation of MedX Phototherapy Treatment Systems offers patients superior service

Vancouver, Jan 19, 2021 ([Issuewire.com](https://www.issuewire.com)) - Evergreen Rehab and Wellness is pleased to announce the addition of MedX Phototherapy Treatment Systems to their Coquitlam clinic to enhance patient outcomes and quality of care.

Evergreen Rehab and Wellness Coquitlam will now provide patients with MedX Phototherapy, also

known as light and laser therapy; a safe and highly effective treatment method that offers a rapid, drug-free, non-invasive healing solution. The MedX Phototherapy Treatment Systems enhance patient outcomes by accelerating tissue healing, reducing pain, and decreasing edema and inflammation. By incorporating MedX Phototherapy treatments, patients will experience improved treatment results for a number of conditions such as arthritis, muscle tension and spasms, acute and chronic pain, post-operative wounds, and other types of conditions. This laser therapy is offered under Chiropractic. A licensed and skilled Chiropractor will administer this laser therapy.

About the Evergreen Rehab and Wellness

Evergreen Rehab and Wellness is a group of highly skilled and licensed professionals, dedicated to providing premium quality healthcare. It is a multidisciplinary clinic providing the following services: Chiropractic, Physiotherapy, Registered Massage Therapy, Acupuncture, Kinesiology, Personal Training, Active Rehabilitation, and Clinical Counselling. Evergreen believes in a holistic approach to health which is why most of the treatments are completely non-invasive and chemical-free. The patient will also undergo a thorough assessment before starting a treatment. It continuously empowers individuals to live a healthy, natural, and pain-free life.
