

## Fairview -Inn Hotel Downtown, Alberta, Canada

Fairview Inn announces the opening of its Downtown midscale property introduces a combination of hotel and home in the heart of the Peace Country.

**Fairview, Jan 6, 2021 ([IssueWire.com](https://www.issuewire.com))** - Fairview Inn has announced the opening of its downtown property, promising guests the perfect fusion of hotel and home through well-appointed accommodation, and business facilities. With 40 units that range from stylish and spacious deluxe rooms to fully-equipped suites, it's the perfect home-away-from-home for short and long stay guests. The new property also boasts a prime location at just a five-minute walk from the Grande prairie regional college, as well as the shopping and entertainment center, Art gallery, Museum, The Fairview Fairplex Arena, and is two blocks away from Fairview Health Complex.

All guestrooms and suites are fully-serviced and have complimentary Wi-Fi, offering guests contemporary residential-style accommodation in the heart of the city. The Hotel features a kitchenette with multiple up-to-date amenities including a cooker, microwave, fridge, and much more.

"Our new Hotel – Fairview Inn – assures the personally enriching experience, with its central location in Downtown Fairview, proximity to the most popular attractions, and its diverse selection of amenities will add to the appeal of Fairview Inn to corporate travelers, sports team and families."

In addition to the Fairview Inn Hotel, the company is involved in Hotels, restaurants, and real estate businesses.
