

Groove with the enticing hip hop track 'RR Freestyle' by V12 Chasin'

Join the lyrical ballad with emerging Chicago Rapper V12 Chasin' and the latest track 'RR Freestyle'. It is a perfect blend of studio record and raw freestyle rap.

Illinois, Chicago, Jan 27, 2021 ([Issuewire.com](http://www.Issuewire.com)) - Churning out the authentic flavors of new age hip hop music, well-seasoned rapper **V12 Chasin'** has come up with his latest single '**RR Freestyle**'. The track is the latest musical contribution by this artist to the hip hop industry. The musical arrangement in the track is kept groovy with the keyboard and digital beats. It provides enough creative space for the

rapper to meander through with his unique rapping style. The artist is well revered with his rapping and rhyming skills and that reflects through his strength during the bars. Providing a strong eclectic performance, the track does not fail to engage the listeners.

This talented **Chicago Rapper** has already garnered a lot of attention with his previously released exquisite tracks. Last year the artist has released a 14 track album, titled 'RR The Mixtape'. The album consists of some of the greatest tracks like, 'Blickieeee', 'Show You How To Hustle', 'Stuck In My Ways', etc to name some. Other than those, the artist has dropped many singles like, 'No Name', 'King L V12(SGMIX1)', 'So Chicago Freestyle', etc to name some. Each of the tracks provides the high octane grooves along with the artist's unwavering personality.

The latest track '**RR Freestyle**' provides similar vibes in a more intriguing way. And that is why even with a clock time of just 1 minute and 43 seconds, the track is able to keep an impact on the listeners. Brilliant production and prolific musicianship have united in this track. With a persistent musical career, the artist is looking forward to making more tracks in the coming days. He is gaining at full throttle with his great hold of rhythmic flow, lyrical flow, and a great sense of music. Follow **V12 Chasin'** over [Facebook](#), [Instagram](#), [Twitter](#), and SoundCloud to know more about his upcoming music and experimental project.
