

Housing Market Group is acquiring CanadaHousingMarket.com to expand to Canada

HOUSING MARKET

Hong Kong, Jan 12, 2021 ([IssueWire.com](https://www.issuewire.com)) - [Housing Market Group](https://www.housingmarketgroup.com) is the leading force in the online real estate market around the world. The company is now expanding its network to Canada by acquiring the real estate portal [CanadaHousingMarket.com](https://www.canadahousingmarket.com) for an undisclosed amount. It is a nationwide real estate portal established in 2012. By acquiring the real estate portal, [Housing Market Group](https://www.housingmarketgroup.com) will be stepping into the Canadian real estate market. With their years of experience, they plan to provide a vast

collection of top-quality properties to real estate professionals and property shoppers.

Housing Market Group has real estate marketplaces all over the world. Their real estate network is spread throughout Asia, Europe, America, and Australia. The organization is devoted to offer the highest conversion rate and return on investment. Users will be able to find their preferred property among the thousands of property listing that is updated regularly.

Housing Market Group owns and operates leading property sites all over the world. With their new acquisition of CanadaHousingMarket.com, they will be in the leading position in the real estate scene in Canada. They will redesign and integrate during 2021. At the same time, they will also open a local office in Vancouver.
