

How to Request a United Airlines Refund? +1(805)303-4600

Get All Information about Requesting a Refund on United Airlines

Illinois, Chicago, Jan 30, 2021 (Issuewire.com) - How do I get a refund from the United flight?

United Airlines may offer you a full refund on canceling a flight ticket. It happens only when your flight is eligible for a refund. So to know whether your flight is eligible for a refund on United Airlines or not, go through the given details:

- When you cancel a flight booking under 24 hours of its booking, you can cancel it without any charges and you may get a full refund.
- Also, only refundable flight tickets can request a refund. Non-refundable flight doesn't get a refund however travel points may be provided to the customer's airline account.

In case you wonder how do I get a refund from United, you can go through the given steps to do so.

How Can I Request a Refund on United Airlines?

- First of all, you need to go to the Refunds page on the United Airlines website.
- There you see a refund form in which you have to provide the required details.
- Next, you are required to enter your information that includes your address and contact number.
- Then you have to choose the items for a refund, click Add Flight, or Enter Details option.
- Once you provide all the details, you will see the message box beneath the details section.
- There you can type your message and explain the refund request. The request must not cross 1000 characters. If you have any file or document related to your refund request, you can attach the file.
- After that, you have to enter an email address on which you want the customer service team to contact you.
- And lastly, you have to click the Submit button.

With this information, you will no longer wonder about [how do I get a refund from United Airlines](#) and your refund will be credited to your account within seven working days. Aside from this, if you have more queries or you want to know about the refund policy, you can contact the reservation support team by making a phone call. The support team will provide you instant help without much of a stretch.
