Get to know Dentist Dr. Jose-Luis Osoria, who serves patients in Riverside, California.

New York City, Jan 18, 2021 ([IssueWire.com](https://www.issuewire.com)) - Dr. Osoria has over 25 years of experience in all areas of general dentistry so patients can trust that they are in expert hands. He started his office originally in the Orange County area in 2001, but after much consideration, decided to open Osoria Dental - Surgical Center in Riverside, California in 2008.

A well-rounded dental practice, Osoria Dental - Surgical Center provides complete dental and oral care for the entire family, from routine checkups to restorative and surgical procedures. The family-like staff strives to make patients feel at home, comfortable, and fully informed during the entire process. They know that going to the dentist isn't everyone's favorite thing to do, but their goal is to make each patient's visit as painless as possible.

Pertaining to his educational background, Dr. Osoria holds a Doctor of Dental Surgery degree from Loma Linda University School of Dentistry in California.

Dentistry, also known as Dental and Oral Medicine, is a branch of medicine that consists of the study, diagnosis, prevention, and treatment of diseases, disorders, and conditions of the oral cavity. Dentists diagnose and treat dental issues and help patients develop better oral hygiene regimens. They clean teeth, correct bite issues, perform surgeries and extractions and perform other duties to ensure that the teeth and mouth are healthy.
