

Keith Dominick, MD, a Pediatrician with Pediatric Associates

Get to know Pediatrician Dr. Keith Dominick, who serves patients in Portsmouth, New Hampshire.

New York City, Jan 18, 2021 ([Issuewire.com](https://www.issuewire.com)) - Specializing in the health care of children, Dr. Dominick is a caring pediatrician who joined Pediatric Associates in Portsmouth, New Hampshire in 2009.

Partnering with parents in the delivery of medical care and treatment of children, Pediatric Associates has been serving the Seacoast community for 55 years with quality, affordable healthcare. The providers share a strong commitment to comprehensive pediatric care from birth through young adulthood.

“Our mission is to deliver and coordinate the highest quality medical services that are both medically necessary and affordable while maintaining the utmost care, concern, and compassion for our patients and their families. We strive to be the premier independent primary care pediatric medical practice serving the Seacoast area of New Hampshire and Southern Maine” as stated on their website.

On the subject of his educational background, Dr. Dominick received his bachelor’s degree from Providence College and his medical degree from the University of Massachusetts Medical School. He then went on to complete his residency in pediatrics at Tufts Medical Center in Boston, Massachusetts.

A Fellow of the American Academy of Pediatrics, the doctor is board-certified in pediatrics by the American Board of Pediatrics (ABP). The mission of the ABP is to advance child health by certifying pediatricians who meet standards of excellence and are committed to continuous learning and improvement.

Pediatrics is the branch of medicine that involves the medical care of infants, children, and adolescents. The American Academy of Pediatrics recommends people be under pediatric care up to the age of 21. Pediatricians provide medical care to people ranging in age from newborns to young adults. They are trained to examine, diagnose, and treat children with a wide variety of injuries and illnesses through all of their developmental stages, as they grow and mature.

Residing in Hampton with his son, Dr. Dominick’s interests include hiking, skiing, playing basketball, and baseball, as well as playing soccer and coaching his son’s soccer team. He is also a pathologic Red Sox and Patriots fan.
